

# Queen Elizabeth the Queen Mother

## Birth and Family

Born Elizabeth Bowes-Lyon on August 4, 1900, into the prestigious Bowes-Lyon family with Scottish royal roots.

## Early Life

Grew up in St. Paul's Waldenbury, Hertfordshire, during World War I.

## Marriage and Family:

Married Prince Albert, Duke of York, later King George VI, in 1923. They had two daughters, including Queen Elizabeth II.

## Role as Queen

Became Queen Consort unexpectedly when King Edward VIII abdicated. Known for her resilience during World War II.

## Coronation

Crowned alongside King George VI in 1937, wearing a crown with the Koh-i-Noor diamond.

## Wartime Efforts

Boosted morale during World War II through visits and support for soldiers and families.

## Legacy

Remembered for her warmth, resilience, and devotion to her country, inspiring generations.
